CIRCUIT BREAKERS, MOTOR CONTROL, AND AUTOMATION

www.lsis.com/usa

Electrical Power Components (contactors, relays, manual motor starters, mccbs, air & vacuum circuit breakers, Medium Voltage Circuit Breakers, Switchgear and Adjustable Frequency Drives.

<http://www.motortronics.com>

Low Voltage Soft Starters, Medium Voltage Soft Starters and Contactors, Motor Winding Heater Controls Motor Protection, DC Injection Brakes. Variable Frequency Drives, Current and voltage Transformers (LV and MV), Communication Bridges, SCADA Servers and Software.

<http://megalert.com>

MegAlert — The only automatic permanently installed "True Dielectric"

Insulation Resistance Testers and Monitors with 500-5000 VDC test

outputs. MegAlert manufactures the MotorGuard, GenGuard and CableGuard patented testing and protection systems designed to detect insulation breakdown in critical motors, generators, cables and transformers. The system Senses when the equipment is offline and then performs a continuous dielectric test on the winding insulation to prevent an insulation failure on start up.

Creative Passion

www.koino.com

Push Buttons, Indicating lights, Square Lights, Stack lights, Selector Switches, Cam Switches, Hoist Control, Motor Control Switches, Sensors, Limit Switches, Relays, Counters/Timers, PID Controllers,

ENCLOSURES, AND LIGHTING

<http://www.fibox.com>

The Fibox range of standard enclosures provides over 800 choices for packaging electrical and electronics equipment operating in hostile environments. Fibox enclosures comply with EN 60529 (IEC 529) and UL 50 and UL 508. Our enclosures have achieved ingress ratings of IP 67 and NEMA 4X and 6, GP. Standard solutions exist for panel mounting, hinging inner doors, wire and management and air ventilation.

www.produitsbel.com/en/

Bel Products specializes in the production of custom made enclosures.

We offer the possibility to manufacture enclosures adapted to all your needs. We offer a wide range of colors, heating/ventilation, hardware and accessories. Whether you have plans or specifications, our qualified staff is always available to assist all your needs in order to realize all your projects.
